

F-1-107
Joshua Michael House
Doubs
Private

Circa 1875

The Joshua Michael House is the most prominent structure in Doubs and was built circa 1875 after Michael purchased the land from Jacob and Harriet Basford in 1872.

The ornate porch, decorative slate roof and turrets reflect sophisticated architectural style for this small community in southern Frederick County. In 1891, he was elected as an alderman of Frederick, and served a term of three years.

DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The Joshua Michael House is a large gable roofed two and one-half story frame covered with aluminum siding residence which faces west from the east side of Doubs Road in Doubs.

The principle facade is three bays wide with two four bay wide two story turrets located in the northwest and southwest corners of the building. The main entrance, a four panel door with single light transom is located in the second bay. Occupying the remaining bays on the first and second level are 1/1 windows with arched molding and louvered shutters. A narrow 1/1 arched window occupies the center gable.

Simple 1/1 windows are located on each side of the turrets on both levels. Each turret is covered by a pyramidal slate roof with decorative fishscale shingling and finial. A copper arrow weather vane is located on the south turret.

A large frame one story portico extends across the entire front of the building continuing two bays deep on the north and south sides of the building. The carpentry work of the porch is very decorative with twelve turned columns, turned railing, dentiled cornice and balustraded frieze with saw tooth edge, dropped moldings and pierced brackets. A swinging wood porch is suspended from the ceiling of the porch.

An original two story addition extends to the rear of the main block on the east side. Occupying each window bay on the remaining part of the building is 1/1 windows with louvered shutters.

The entire structure has been covered by aluminum siding, but the residence has not lost its architectural integrity to a great extent since wide siding and corner boards were used.

The entire building is covered by a slate roof patterned with fishscale shingling. It is attached to the residence by a plain boxed cornice with return. The house is built on a low whitewashed random stone foundation. A decorative cast iron fence surrounds the front yard.

BUILDER/ARCHITECT

Joshua Michael

STATEMENT OF SIGNIFICANCE

The Joshua Michael House is the most prominent structure in Doubs and was built circa 1875 after Michael purchased the land from Jacob and Harriet Basford in 1872.¹

The ornate porch, decorative slate roof and turrets reflect sophisticated architectural style for this small community in southern Frederick County.

According to William's History of Frederick County, Maryland, the Michael Family was a German family which immigrated to Frederick County in the eighteenth century. Andrew Michael purchased a tract of land in the Buckeystown District in 1773.²

Joshua and John Lambert Michael, both owners, were the great grandsons of this early settler. John Lambert Michael, who owned the house between 1903 and 1913³ "was a well known merchant of Frederick, who deals in fancy and staple groceries and queensware in (sic) (254) West Patrick Street. Mr. Michael is one of the oldest grocers of Frederick and is the possessor of a large trade. In 1891, he was elected as an alderman of Frederick, and served a term of three years."
